The Plains Natives had many uses for all of the various parts of a bison such as the hide, bones, meat, and tendons. Even the bison feces was used as an almost smokeless fuel. Below is a list of some of the other things that were made from the bison.

After you have found all 87 words, the remaining 125 letters will form an important message if you keep them in the same order as they appear in the puzzle. Good luck.
